Awards

Last week's award winners will be on next week's newsletter.

Dragon Boat Races

The Dragon Boat races are the P&C big fundraiser for the year. It would be great if all families could find some way to help out.

The P&C provide our students with lots of great resources and activities.

Sunday at Lake Canobolas is when most help is needed. If you're unable to get there you can help out by donating drinks etc.

Please find attached a note from the P&C regarding helpers/times/donations for this weekend.

School Photos – This Wed 13th November

Students need to be at school before **9.00am** on **Wednesday** for school photos.

Children are to be dressed in **full summer uniform**.
Family Portrait Envelopes - available at the office.

CDP has the feature of a 'Shoot Key' marked on your envelope from which you can order and pay online with Paypal or Credit Card.

Cash or cheque payments should be handed in preferably tomorrow with the 'correct money' in the envelope provided. **There is no change given.**

School Swimming-Everyday this week

Times: 10:15am to 11:00am

Pack: Wear swimmers and thongs (optional) to school. Bring school clothes, towel, goggles. Students must have closed in shoes for the rest of the day.

The school will provide sunscreen.

Transport: We will travel to and from the pool by bus. Departing from school at 9:50am and returning at about 11:45am.

Town students can meet us at the pool at 10-10:10.

Weather: We will go to the pool each day despite the weather. If the weather is bad we will either let students swim, then get them out and changed quickly or we also have the option of doing safety lessons and drills on land. I am unsure about whether we will be allowed to use the indoor pool or not.

OSSA Spectacular

Congratulations to all the students on their great performance at the Orange Small Schools Spectacular. Not only did they perform very well but they were also very helpful and very well behaved.

Thank you to Mrs Lynch and Paige for all their work in getting the students ready for the show.

Thank you also to the parents for ensuring that the students were on time and ready to perform.

This was a great experience for the students that saw them grow in self-confidence as well as make some new friends from other small schools.

I think some of them actually enjoyed performing more than they thought they might.

Spectacular Costumes

So that we don't have to start a concert item from scratch for the end of the year we will be incorporating our spectacular performance into our end of year performance.

For this reason we would like the students to bring in their costumes by the end of November so that we can use them again.

Orange Regional Conservatorium Open Day

Thank you to those who were able to represent the school at the Conservatorium open day on Saturday.
