## IMPORTANT INFORMATION THAT NEEDS YOUR ATTENTION!!!!!!

### **Student Medical Details and Health Conditions**

If we have on our records already that your child has an existing medical condition there will be a form attached to this newsletter *for you to fill out and return to the school as a matter of urgency.*

If your child has recently been diagnosed with a health condition that we **do not know about**, please come into the school and fill out a form as soon as possible.

The new forms will help us collect your child's important medical information and the introduction of new systems will mean we'll be able to better manage the daily and emergency health needs of your child.

We appreciate your support as we start to collection the information as quickly as possible.

If you have any questions.  
Contact the School.
