**Absences**

We have a few outstanding absence notes at present, if you know of an absence you have not put in please do so as soon as possible. If your child is not at school we need to record where your child is. Please find attached to the newsletter two blank absence notes. There are also pink absence notes in the foyer and in front of the silver note box. Alternately you may contact the school by phone to advise the reason for an absence.

**School Evaluation-Survey**

Each year the school evaluates its programs to ensure that we are catering for the needs of the students and community. On Wednesday a survey will be sent home with the students that we would like parents to complete and return to school before the end of term. We value greatly the input of the parents and community into the school and would like to know your ideas on how we can continue to improve our school.

**Successful election day cake stall**

Congratulations to the parents and the P&C who raised over \$500 on Saturday at the Election Day Cake Stall.

**Dragon Boat Races**

The P&C's big fundraiser for the year is catering for the Dragon Boat Races. This year this event takes place on Sunday 17<sup>th</sup> November. Please keep this day free if possible.

**Fundraising and Future Project**

The P&C do a great job fundraising so that they can provide extra activities and resources for our students. We are currently investigating building a covered outdoor area that would be jointly funded by the P&C, the school and the Department of Education. It is only through the wonderful fundraising efforts of the P&C and the parents that we are able to consider this.
