Kinder Orientation

Kinder orientation takes place again tomorrow Tuesday 11th November. Our 2015 Kindergarten students had a great time last Tuesday in Mrs Barrett's class and I'm sure will do so again tomorrow. Our year 2 students will again spend the day in the 3 to 6 classroom getting to know the primary routine.

Absences

We have moved over to computer based roll marking system as of today. Teachers will mark the roll at about 9:25 in the morning. If students arrive after the roll has been marked they will need to have an absence note stating why they are late. A note may be obtained at the office on the front of the silver box.

Infants Excursion

Last Friday Mrs Barrett's class had a fun and educational day at the Minerals and Fossils Museum in Bathurst. The children were amazed at the minerals and crystals on display and finding out how they were made millions of years ago under the ground. The highlight was definitely the Tyrannosaurus Rex skeleton towering over everyone with its 60cm long teeth in its open jaw.

The educational tour consolidated the teaching and learning from the English and Science syllabus about dinosaurs in a fun interactive way. The students were well-behaved and represented Spring Terrace School with great pride.

Dragon Boat Race Catering

The Dragon Boat Races are coming up this Saturday 15th and Sunday 16th November and we need your help. Our P & C provides lunches for the volunteers on Saturday and Sunday and also runs a barbeque on the Sunday. Please find attached a note to indicate any way you may be able to help.

We need volunteers to;

- Make lunches at Shirley's on Sat&Sun morning
 - Cook the barbeque/Sell food and drinks
- If you are unable to be there you can still help by;
- Donating cans of soft drink
 - Make quiches, cakes and slices

Please contact Lis Arundell on 0405 652 927 or see Mr Scott at school if you can help in any way.
