Term 2 Week 6 2014

Monday, 2 June 2014

## What's On!!

### TERM 2 2014

**Spring into School:** Tomorrow 3<sup>rd</sup> June

**Assembly:** **This** Thurs 5<sup>th</sup> June at 2.45pm

**Queen's Birthday Public Holiday:** Mon 9<sup>th</sup> June

**Responsible Pet Education Program:** Mon 16<sup>th</sup> June.

#### Congratulations to last week's award winners

James, Archie, Chelsea, Georgia, Skye, Brooke and Lauren.

#### Thank you Woolworths- Fruit break

Woolworths Orange has donated a box of apples to our school and will continue to do so each week from now on.

If students are happy with an apple for fruit break they won't need to bring anything from home. If we run out later in the week we will let the students know they will need to bring something from home.

#### Assembly this Thursday

Assembly is great opportunity for our senior students to develop confidence in leadership and public speaking and a chance for all students to show pride in their school and their work. Thank you to those who regularly attend our assemblies. I know not everybody can come due to other commitments but if you are able to make it to school 30 minutes earlier every second Thursday, it is much appreciated. It is the Primary classes turn to show their work at this Thursday's assembly.

#### School Uniform

We have already seen a great improvement in uniform. This Thursday we will be checking uniform and while we don't expect that everybody will be perfect it will give us a something to improve on. Remember that we do have some second hand uniforms that are in good condition and the school has funds to assist with purchasing uniform items.

#### Life Education NSW – Healthy Harold

The students had a great time with Healthy Harold in the Life Education Van today. Today Years 3 to 6 were learning about health choices while K to 2 looked at personal safety.

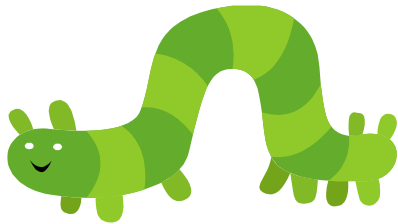

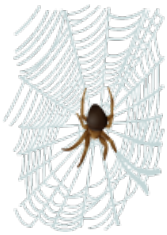

**Canteen this week: Kerrie - Fri 6<sup>th</sup> June**

### What's happening in the Classroom: K-2

This week in K-2 class we are learning all about bugs and spiders. The children will be reading stories about busy spiders and grouchy ladybugs. They also will be learning about information reports, labelling diagrams and investigating classification of insects. Our spotlight author this week is Eric Carle, you may remember he wrote *The Very Hungry Caterpillar*. In Mathematics we are learning all about money, recognising coins and their value. We may even set up a shop (pretend) so watch out for all the thrifty shoppers.

Mrs Barrett
