### Orienteering

This Wednesday we are going to Gosling Creek for the Orienteering Gala Day. Students going straight to Gosling Creek need to arrive between **9:45** and 10:00 am. Students coming to school first should arrive as normal and will travel to Gosling Creek with Mr Scott or another parent. The Permission note is attached - **please return this tomorrow.**

***Students need to bring their morning tea, lunch and water/drink bottle with them.***

***They will also need to wear their school sports uniform and bring warm clothes.***

### Welcome Miss Scott

Welcome to Miss Abigail Scott who is studying Dance/Physical Education at the Australian College of Physical Education and is completing her first prac at Spring Terrace over the next 2 weeks. I'm sure Abigail will find her time at Spring Terrace rewarding.

### Facebook

You may be aware that the school has a Facebook page that we use to promote the great things happening in our school. Up until now there have been no pictures or names of students used on the page.

According to the Department of Education and Training's guidelines pictures that include students are allowed to be used in social media and this is covered by our general permission note regarding photos and the media. In future we would like to include pictures that have students in them. Pictures would generally be of groups and students wouldn't be identified. If a student's photo and name were to appear, to say celebrate individual achievement, the school would contact a parent before posting this.

When considering this, please keep in mind that newspaper photos can usually also be viewed and downloaded from the internet.

**If you would not like your child's picture to appear on the school Facebook page please let one of the staff know.**

**Canteen this week:**

**20th June**

**Primary Excursion**

This year the primary class will go on an excursion to Canberra from 15<sup>th</sup> to 17<sup>th</sup> October. We will travel by coach and stay at the Bush Capital Lodge. We will visit the Australian War Memorial, Parliament House and the Australian Museum among other attractions.

The excursion will have lots of great learning experiences and will be linked to much of the work we do in term 3. It is also a great opportunity for students to become independent and take responsibility for their belongings among other important personal skills, while under close supervision.

I realise some parents have reservations about letting their children be away from home without them however, I am certain we can overcome any concerns. I will be contacting parents over the coming weeks to discuss any concerns they may have.

**Pet Education**

The children had a great time being involved in the 'Responsible Pet Education Program'. Our sincere thanks to Katherine Ingwersen and her lovely dog, 'Gem' who presented this today.

The K-2 children are taking home a most informative booklet on 'Pets in the Community'. I urge all parents to read and discuss this with their children.

Years 3-6 can log onto the website at:

[www.pets.nsw.gov.au](http://www.pets.nsw.gov.au)

For a bit of interactive fun for revision.
