## Chickens

Over the past few days we have had 19 chickens hatch. It has been great to see the students so excited.

Students will be rostered on to look after the chickens over the coming weeks, ensuring their cage is clean and they have water and food. We would like this to be done in the morning at 9am so students will need to be at school on time. They will know the day before if it is their turn.

School Photos have arrived and will be handed out with the Newsletter today

AND

Two weeks of awards will be on next Monday's Newsletter

***Found after school campout:*** If you are missing a 4G Telstra Wireless device and the charger, please contact the school
