May Cup Athletics Carnival

The May Cup Athletics Carnival will take place next Wednesday 4th March at Spring Hill School. Parents will need to organise transport to and from Spring Hill and are welcome to stay and watch. This is a fun day that is about participation and includes all students from Kindergarten to year 6.

Athletics Practice Wednesday and Friday

Please ensure students wear their sports uniform each Wednesday and Friday for the remainder of the term as we will be doing athletics practice on these days in preparation for the O SSA athletics carnival to be held on Monday 30th March.

O SSA Swimming Carnival

Congratulations to all the students who swam in the carnival – it was very competitive on the day. Special congratulations to Brooke who swam in the 11 years girls 50m backstroke and gained 3rd place with the time of 55.67, all three placements in this race broke the existing record time.

Stephanie Alexander Kitchen Garden Project

To clarify the way in which we are running the program. Students will rotate between cooking and gardening doing each activity for two weeks. The cooking we do, does not substitute for lunch so students are to bring their lunch every *Wednesday*. Students can bring in an old shirt and boots for gardening and a shirt for cooking to prevent their uniform from getting dirty. We are hoping to organise aprons for cooking in coming weeks.

Book Club

Book club has been extended to **this Tues 24th Feb** if you still wish to order – please see Mrs Chapman.

School Team for the Running Festival

So far we have had no individual nominations for the 5km Cadia Valley Operations Schools Challenge to be held on Sunday 1st March at 10.30am. To enter the school would need a team of 5 students @ \$10.00 per student. Please return the nomination form if your child wishes to participate.
