Crazy hair day this Friday 6th

Students can also wear casual clothes, but they will need to be suitable for sport. There will be a gold coin donation that will go to the Westmead Children's Hospital Bandaged Bear Appeal.

Thank you Running Festival Helpers

Thank you to those who were able to help out on the water stalls for the running festival it is much appreciated by the P&C, staff and students.

Camel Training

Nyasa who lives behind the school is having a camel trainer work with her camels over the coming week and has asked if we are interested in the students watching him work and having the opportunity to ask him some questions. This is most likely to happen on Thursday. We will walk the students to Nyasa's. Parents are welcome to join the students. **The exact time will be on the whiteboard once we have confirmed it.** Obviously the student's safety is our number one priority. They will not be in the same yard as the camels but may have the opportunity to pat them over the fence, something most of them have done before.
