Tennis Lessons

Because we have missed tennis two weeks in a row due to the weather we are going to have tennis this Thursday as well as Friday. This will mean that students will need to wear their sports uniform on Thursday and Friday.

Principal and SAM meeting

Last Thursday Spring Terrace hosted a meeting of Principals and School Administration Managers providing a great opportunity to compare and learn from each other. On the day, and since, I have received many compliments about our school, regarding the grounds, resources and friendly atmosphere, not to mention the food.

I would like to thank the parents, P&C and staff for the great job they did in organising morning tea and lunch and making our visitors welcome.

P&C News

At last Wednesday's P&C meeting the Department of Education's canteen policy and how it relates to Spring Terrace was discussed. It was decided we would investigate some ideas on how we can continue to encourage healthy amongst our students.

Pie Warmer

Being winter we will now turn the pie warmer on if students wish to bring in something that needs be heat. Please ensure that food for the pie warmer comes wrapped in foil with the students name written on it with a marker.

Cadia Envirosmart Grant

Tomorrow a representative from Cadia will visit Spring Terrace to present a cheque for \$500 dollars to assist in in continuing and expanding our kitchen garden program.

Jeans for Genes Day & Australia's Biggest Morning Tea

On Friday we held our Biggest Morning Tea and Jeans for Genes Day. As well as appreciating that it is a great thing to help others less fortunate than ourselves the students enjoy participating in such events and seeing parents and community members in our school.

Thank you to the parents who provided cakes etc and for assisting in running this event on the day. Thanks to Rose for her organisation and making it happen.

A Big Thank you to all the staff and students for your kindness and for my beautiful flowers.

Thank you so much.
