### Staff Changes

Mrs Chapman is on leave taking a much deserved holiday and we have Mrs Sharon Costa relieving in the office. Mrs Costa comes to us with great experience having worked in both big and small primary schools as well as in high schools. I'm sure she will feel welcome in our school and enjoy being here for the remainder of this term and week one of next term.

Mrs PE has also taken leave and is being replaced by Mrs Pulling. It is great for our students that Mrs Pulling is able to fill this role as she already knows the children and how our school operates. This does however mean that we need to change our timetable a little. Mrs Pulling will teach library and the other classes Mrs PE was doing on Mondays and her usual role of Learning and Support Teacher and releasing teachers from class each Wednesday.

### Principal and SAM meeting

This Thursday around 25 small school principals and School Administration Managers (SAMs) will be meeting at Spring Terrace to discuss a range of topics relating to the effective management of small schools.

### P&C News

The P&C has been asked to cater for the Principals and SAMs meeting to be held at Spring Terrace this Thursday. This is a great fundraising opportunity and will potentially earn the P&C around \$350.

We are looking for parents able to help out with the preparation of food. If you can provide any of the following it would be greatly appreciated; quiche, lasagne, salad, cake or slice. Please complete and return the attached note tomorrow, Tuesday 2<sup>nd</sup> June, so that this can be organised.

Next meeting P&C Meeting: Wednesday 3<sup>rd</sup> June.  
At the next P&C meeting we will be looking at the departments regulations regarding food and canteens and discussing any changes that might need to be made to canteen etc.

**Canteen: Rose this Friday 5 June 2015**

**Cadia Envirosmart Grant**

Earlier this year we wrote a submission to Cadia for \$500 to help with the establishment of a kitchen. Our application was successful and a representative will be in our school on Wednesday 10<sup>th</sup> June to present us with a cheque. This money will help us run the kitchen garden program successfully into the future.

**Jeans for Genes Day & Australia's Biggest Morning Tea**

This Friday starting at 11am we are holding a combined Jeans For Genes Day and Australia's Biggest Morning Tea.

Students are asked to bring in a gold coin donation for each. They can wear jeans but need to wear shoes that are suitable for tennis. They will be given flavoured milk and cake or slice for morning tea.

Parents are encouraged to join us for this wonderful fundraising activity.

It would be great if any families not assisting with the catering for the principals meeting on Thursday could provide a cake or slice for the Biggest Morning Tea.
