New Kitchen Up and Running

Our new kitchen was installed in the BER last week and is ready to be used for future cooking classes.

I would like to thank Jon Windberg from JRW Joinery for the time, effort and money he has put into this project. Any materials he didn't donate himself he had donated by his suppliers as well as organising the electrician and plumber.

If you haven't already seen it please come in and have a look.

P & C News

- We need volunteers for the canteen cooking duty for Terms 3 & 4. Pick a Friday to suit you; there are lots of Fridays still left.
- The next meeting to be advised.

AMELIA

We would like to welcome Amelia Culverson to our school. Amelia started in kindergarten on Monday. I'm sure she will enjoy her time at Spring Terrace School.

OSSA Spec Dates

The dates for practices for the students in the OSSA dance ensemble, choir and drama are attached to the newsletter.

Woolworths Earn and Learn

In the office foyer we have a box set up for completed sticker sheets. There are also blank sticker sheets available and one will be attached to the newsletter as well.

You can also ask for sheets at Woolworths in Anson Street and North Orange but at the moment there are no spare boxes in the stores. We will have them made up and labelled with our school name by next week, in the meantime just bring them into the school.
