Staff Changes This week

This Thursday Mr Scott will be attending the Orange District Principal's meeting at Canobolas High School and will be replaced by Mrs Calquhoun. Mrs Calquhoun has worked in our school previously and knows many of our students and the school routine.

Mrs Calquhoun will also work on Friday and will take Mrs Barrett's class in the morning while she is running O SSA netball trials and Mr Scott's class in the afternoon while he runs the girls touch football trials.

Music and tennis lessons will run as normal as will the regular lessons.

Assembly

Assembly will be held this Thursday afternoon starting at **2:45pm**. Mrs Barrett's class will be presenting some of the work they have been doing this year. I'm sure our new kindergarten students will be excited to show off their achievements.

O SSA Sports trials

As we are expecting hot weather on Friday, we have decided to only take students to the trials who wish to try out for O SSA teams. Students have the choice of spending the day at the trials, only coming to try out for the team/teams they are interested in or stay at school for the day.

These trials will take place at Emus football ground and the town's old netball courts.

Please see following timetable regarding when trials will occur.

Students should arrive half an hour before their trial is due to start.

Either Mrs Barrett or Mr Scott will be at the trials at all times but will also be running trials. Students are expected to behave responsibly and listen to directions from other O SSA teachers.

O SSA Sports trial day timetable:

Times	Field 1	Field 2
9.30 – 11am	Boys Soccer	Soccer Girls
11.00 – 12pm	Rugby	Netball (Moulder Park)
Lunch		
12.30 – 1.30pm	Girls Hockey	Boys Cricket

*Please find attached the permission note which is to be returned by **tomorrow: Wednesday 25th Feb** and also a information note for you to keep*

Orange Running Festival

Thanks to those who have volunteered to assist with staffing the drinks stations for the Running Festival this Sunday. We very much appreciate them giving up their morning, to help raise funds for our great school.

Running Festival-Students Entries

There are a couple of events that children and adults can take part in on Saturday and Sunday as part of the running festival. I know we have some students interested in competing. There is a 2km junior event at 4pm on Saturday and a 5km school teams event at 10am on Sunday. This might be a great chance for students to start getting ready for the cross country coming up early next term.

Please enter online or see Mr. Scott if you are unable to

Bunnings BBQ

The P&C's next big fundraiser is a barbeque outside Bunnings on Sunday 20th March. Please consider putting your name down to help out for a couple of hours. This is a great fundraiser but is long day for a few people if we don't get enough volunteers.

Good Luck Brooke

Today Brooke is at the Orange District Swimming Carnival, she is representing O SSA and Spring Terrace in the 12 years girls Breaststroke and Backstroke.

Book club

Book club has been sent but later orders can still be taken.

Canteen: Hayley Lavers - this Fri 26.2.16

Green Army

Yesterday the Green Army completed our Chook Yard. We will be adding a shelter and nesting boxes in the coming weeks.

Thank you to Peter Wadwell and Monument Wines who have donated food for our chickens.

**Hot weather activities**

Due to the hot weather we will be limiting outdoor playground options this week. Students will be allowed into the library to play games on Tuesday and Thursday.

As a special treat on Wednesday we will hold a lunchtime disco in the BER. While we will select modern songs that the students know we will only choose music that is appropriate to our students age group.
