School & Community Planning

School Bus Survey

Thank you to those who have completed the bus survey. **Please complete one if you haven't already**, it is important that we have all of the information so that we can make the best decisions for all students and families in our school.

Open Classrooms

One of the items discussed in our school and community planning meetings was giving parents more opportunity to see what goes on in our school and classrooms. In response to this we have decided to have open classrooms once a term. Lessons will run as normal and parents will be welcome to come in and observe what goes on day to day.

This term our open classroom day will be Wednesday 31st August

Parents, friends and family are welcome to come in anytime throughout the day and if they like, join the students for recess or lunch.

Spring Terrace School Open Day

To give new families in the area the opportunity to look around our school and see what we are about, we will be holding our first Spring Terrace Open Day on Tuesday 13th September from 1:30 to 5pm. We will have a range of activities mostly aimed at preschool aged children including;

- ✚ Face painting
- ✚ Story time
- ✚ Gardening
- ✚ Petting zoo
- ✚ Play dough
- ✚ Bubbles
- ✚ Afternoon tea

It would be great if we had some volunteers to be involved in the day by helping to run an activity and by talking to prospective parents about what a great school we have. Donated cake or slice would be appreciated. Another way that you could assist would be by dropping off flyers and letting people know about the day.

Please see Mr Scott or Mrs Barrett if you would like to help out with this event.

Canteen: Hayley Lavers this Friday 19th August

Technology room update

As you know we are currently moving and updating our technology room. Improvements so far have been painting, new computers and an interactive screen has been ordered. The power will be upgraded and bench tops installed soon.

School Sport

We will have sport at school for the next three Fridays.

Please note: there is NO MORE GYMNASTICS.
