Please help your child/children remember to return their homework each Friday. If they don't return it on Friday for whatever reason please return it on the following Monday or as soon as possible.

STEM Activities

On Friday the infant students were building Lego cars and making paper aeroplanes. They experimented with what made them go the furthest and were introduced to the concept of gravity.

The students measured the distance their plane and car went using centimetres and metres. Over coming weeks we will continue to work on activities that help students practice their measuring skills.

Thank you letter from the Orange Anzac Committee

On behalf of the ANZAC Day Committee, I convey most sincere thanks to you and your school students for their participation in the 2017 ANZAC Day Commemoration Celebrations.

Your students honoured the day in an exemplary manner, and your school should be justly proud that the next generation will carry on the spirit of ANZAC, for which I offer congratulations.

The ANZAC Day Committee is grateful for the honour given by the people of Orange and by those who by personal effort, so cheerfully extended, did so much for the success of the day.

Yours faithfully,

Graeme Scott

Chairman

ANZAC DAY COMMITTEE
