## **Maths Groups**

We have commenced a new system to teaching Mathematics this term. Both teachers will be teaching mathematical groups in their classroom. Students will be placed into groups depending on their knowledge and skill level in that particular strand of mathematics. This approach will be better suited to the students individual learning pathway and responsive to their next step in learning.

## **LMBR Training/Office Days**

This week Mrs Chapman has had LMBR training on Monday and Tuesday this week hence she has not been in the office at school. She will be in the office this Wednesday, Thursday & Friday.

## **Woolworths Earn and Learn**

It's that time of year again if you shop at Woolworths you can collect Earn and Learn stickers for our school. We have a collection box at our school in the front foyer. The sticker sheets are available from Woolworths. The stickers will then be sent into Woolworths and depending on how many we collect we will receive resources for our school.
