Awards

Last week awards winners were: Zakk Smoothy, Kyla Carney, Millie Price, Stanley Lonsdale, Lena Jones, Max Millan and Mia Lonsdale.

Gymnastics Lessons Friday

We will have gymnastics lessons again this Friday 2 July, with Central West Gymnastics. This Program will run for the next 6 weeks. The students had a wonderful time and have already begun to learn new balance skills.

Students will be transported to the Gym at 3 Barrett Court Orange by bus leaving school at 1:45pm. Our lesson will run from 2:15 pm to 3:15 pm we ask that parents arrive **by 3:15** to collect their children from the gym in town.

Our gymnastics lessons, and later in the year swimming lessons, are partially funded by the Federal Government Sporting Schools program and are subsidised by the school. So that we can continue to run these programs we ask that parents contribute \$10 per student per term to assist with covering the cost of transport. Please return this payment in the attached envelope

Eisteddfod

Eisteddfod is coming up in 2 weeks' time. Students will be bringing home 2 poems to practice. We will be practising most days at school to learn our poems.

Next Thursday: Education Week Activities- 2.00pm in the classroom, then First Assembly for Term 3 at 2.45pm

Our first assembly for Term 3 will be in Week 3 (next week) to coincide with Education week. Parents, friends and family are invited into the classroom to have a look at students' workbooks at **2pm** and watch some of the students working on their Science Technology Engineering and Mathematics (STEM) projects then stay for assembly.

Lunch Orders THURSDAY! – Healthy Menu

Please remember to order and pay for your lunch on Thursday. Also place your

Recess Orders on Thursday morning

Healthy Recess Choice

On the last day of term 2 we trialled offering students a cup of cut up fruit with yoghurt if they chose along with the usual morning tea. The students responded very positively to this choice.

At the P&C meeting we will discuss if and how we could work this into our Friday routine.

P&C Meeting: Next Wednesday after school!

Have your say about the healthy lunches and fruit/yoghurt recess trials we have been having on Fridays at this meeting. If you can't attend the meeting can you please pass on your opinion to Mr Scott or Mrs Barrett.

Canteen : Kylie McDonald :Fri 28 July

If you have anything else for the agenda can you please let a member of the executive or Mr Scott know prior.

Science Technology Engineering Mathematics

Last Friday we began our new STEM program. As with cooking and gardening, parents are welcome to come in and be a part this program if they would like to help out and see what our students are learning and creating.

On Friday Year 2 joined Mr Scott's class to do coding using a program called 'Scratch' while Kindergarten and year 1 students worked with Mrs Barrett designing and building a weather station.

We have a great rain gauge constructed by Tess, Holly and Stanley, now for it to rain!

LMBR Training/Office Days

This week Mrs Chapman has had LMBR training on Tuesday and will be in the office the rest of the week. Mrs Pulling will take Mr Scott's class while he is at training this Thursday.

Keep collecting Woolworths Earn and Learn Stickers

Spring Into School

Next Session: Tues 1st August

Invoicing: Will be attached to next week's newsletter (As always, if you have any queries or need to pay by instalments, please contact Mrs Chapman in the office)
