Children are to bring their swimming costumes, towel, goggles, swimming cap (if needed), spare plastic bag for wet clothes, in a separate bag to school.

Mr Scott on leave for term 4

As you will probably know by now I am going to take long service leave for term 4, 2017. During this time Mr Darren Keed, who currently teaches at Calare Public School will take on the role of acting principal.

The students, staff and many of the parents had the opportunity to meet and chat with Mr Keed on Friday. I'm sure he is going to fit into Spring Terrace School very well. The students are going to benefit from his great teaching skills and I'm sure will enjoy a change.

While I will be on leave I won't be far away and will be on hand to assist Mr Keed, the staff and students in any way required. I will also be planning for 2018.

Thank you to the staff and community

Thank you to the P&C and general school community for the support you have given me and the school in recent weeks. I was very concerned about taking time off but seeing the way the community stepped up and supported the school has been heartening.

Thank you to the staff for ensuring that the school continued to run smoothly and the students continued to get the great education they deserve. Special thanks to Mrs Pulling for taking on my class, Mrs Chapman for keeping the office running smoothly and Mrs Barrett for stepping into the principal's role and keeping the whole school running.
