Parent Teacher Meetings

We are holding parent/teacher meetings this week to discuss how students have settled into the new school year as well as ways that they can work together to best support students socially and academically.

If you'd haven't booked a time and would like to please see or call Mr Edwards in the office who has the booking sheet.

Please remember that teachers are always happy to meet with parents any time during the year. If you have a question, concern or would like to know what or how you child is doing in class please do not hesitate to make an appointment with Mr Scott or Mrs Colquhoun.

Super Creative Writers

All students have been working on their writing using the program Seven Steps to Writing Success which was an in-service that Mr Scott and Mrs Colquhoun attended recently.

This program is designed to inspire students to rapidly improve their writing skills, and most importantly, learn to love writing and become lifelong communicators. Years 3 to 6 have moved on to "Tightening Tension." We have been practicing building tension in our writing.

The Billycart Ride

By Kyla

"Come on, you're a chicken."

"Well why don't you do it then?"

"Book book book."

"Alright alright."

I climbed into the billycart and as I went to put on the helmet Harriet pushed the billycart making the helmet fall out of my hand. I looked backwards to see it rolling across the ground as the billycart and I started to move slowly down the hill.

"No way, it's too steep," I said to myself as I started to climb out, but before I could get my backside out of the seat I realised I was already going too fast.

The Wind was rushing past my head, everything was a blur as the trees whizzed past me. I tried to reach for the brake but my hand hit the wheel instead, it felt like my hand was broken.

Suddenly the steering broke, the rope slapped me in the face and the billycart started to shake violently. I felt dizzy and sick as the billycart sped down the hill hitting everything in its path.
