- ✚ 12th June School Resumes

K – 2 Excursion to Orange Civic Theatre

Mrs Colquhoun's class will travel to the Civic Theatre tomorrow to watch Patch Theatre Company's production of Yo Diddle Diddle.

This performance explores the theme of resilience in a fun filled adventure that is well suited to K – 2 students.

Could all students please wear their winter dress uniform rather than their sports uniform please. The bus will leave school at 9:15am.

Bus

I have recently spoken to Transport NSW regarding the future of our bus service.

They are concerned that the numbers catching the bus are borderline in regards to making the service viable. For this reason they are going to continue with the interim contract until the end of 2018.

Families can help by using the bus service as regularly as is practical.

We are working with Apple City to make the run work better for our families but with safety concerns and time restrictions it has been difficult to make changes.

Assembly

Thank you to all those who attended the assembly on Thursday. Assembly is a great opportunity for the students to feel confident in speaking in front of an audience.

Our next Assembly will be Thursday 7th June. Miss Eberhard, who will be taking Mrs Colquhoun's class from 12th June until the end of the term, will be joining us.

OSSA White Soccer

Yesterday, Aiden, Chelsea and Riley played for the OSSA white boys and girls soccer teams.

The boys' first game was a tough affair against OSSA Gold. While the boys were beaten in this game they never gave up, digging in and making the second half much closer than the first. Aiden was one of the key players on the team working hard in defence as well as pushing forward and threatening to score goals.

Unfortunately Aiden was injured warning up for the second game and wasn't able to play. Green scored a goal early but it was obvious that White were going to put up a fight. Riley scored a fantastic individual goal, which was followed up by a second by one of his teammates. Greens scored again close to the end of the game to make it 2 all. Neither team managed to score again with 2-2 being the final score.

The OSSA White girls played a great first game against Gold winning 2 nil. Chelsea started out quietly but as she got to know her team mates grew in confidence and began to show her skill and determination. By the second game Chelsea was in her element and played a starring role, scoring 2 goals in the team's 8-0 win.

Winning both their games means that our girls' team will go on to represent OSSA against Orange East in coming weeks.

Thanks Mr Edwards

Thank you to Mr Edwards who has not only been doing a great job in the office in Mrs Chapman's absence but has also been volunteering in the classrooms on the days he doesn't work.

If you'd like to spend some time at school helping out, please speak to one of the teachers.

Growth Mindset

In peer tutoring we have continued to work on teaching students about being determined, not giving up and taking on tough challenges.

You will find our Growth Mindset tree in the foyer. The students came up with lots of great statements about this recently to make the leaves.
