### Orange Small School Spectacular

It is almost that time of year again! Students have been working hard learning their dance with Miss Bella each Thursday.

Next term, students will be performing with their peers and students from other small schools across Orange.

Kindergarten and Year 1 students will be performing a dance inspired by Hawaiian culture, while Years 2-6 will be performing an energetic routine inspired by Greek culture.

#### Costumes

Excitement is in the air, costumes have been chosen and skirts are in the making. The school is happily providing key items for each routine, including handmade skirts, handmade hair accessories, grass skirts and leis, and handmade sashes. Each costume

has been carefully chosen to include pieces of clothing that students will be able to wear at home or on other occasions. As done previously, staff will be organising costumes to ensure that all costumes are the same. The following table provides you with information regarding the cost of costumes for your child's performance. You will receive an envelope with your child's name and the cost of costumes on the front, this is to be returned to the office. As always, if you require help to pay this or there is an issue, please speak to Mr Scott.

### 150<sup>th</sup> Celebrations

12 Days Left! We are eagerly counting down to our 150 Year Celebrations on Saturday 21<sup>st</sup> September, 2019. Our students are going to be involved in key aspects throughout the day and we will need as many students as possible to attend. On the day, there will be an official ceremony to open the celebrations, including speeches from special guests, choir and ukulele performances by our current students and a special unveiling. After the official proceedings have taken place, there will be special activities to explore as well as students leading groups on a tour of the school.

The P&C and staff have been working hard to prepare for the day. To ensure the day runs as

smoothly as possible, we need parent helpers/volunteers to help on the day and for drinks to be donated and food put out.

Please notify the school with an indication of how many of your family will be attending on the day.

**Important:** There is a note attached, please fill it out and return by this Friday 13<sup>th</sup> September as we need numbers for catering etc. to enable us to proceed to the next level of organisation.

### Spelling Bee

On Monday, Sebastian, Harry and Nathan travelled to Blayney to compete in the district Spelling Bee competition. All 3 boys represented the school with pride and made it in to the top 10 spellers for their categories. Nathan spelled bystander and deduce correctly and was knocked out in Round 4. Harry spelled inflammatory and gurney correctly and made an error when spelling nanotechnology in Round 5. Sebastian spelled equilibrium and unconstitutional and lucked out with chameleon in Round 6.
