150th Celebrations – This Saturday

4 Days Left! We are eagerly counting down to our 150 Year Celebrations this Saturday 21st September, 2019. Our students are going to be involved in key aspects throughout the day and we will need as many students as possible to attend. On the day, there will be an official ceremony to open the celebrations, including speeches from special guests, choir performance by our current students and a special unveiling. After the official proceedings have taken place, there will be special activities to explore as well as students leading groups on a tour of the school.

The P&C and staff have been working hard to prepare for the day. To ensure the day runs as smoothly as possible, we need parent helpers/volunteers to help on the day and for drinks to be donated and food put out.

RSVP/Helper Notes: We haven't yet received all the notes back from families on how many are attending this Saturday, if you haven't already done so, please send in your helper note or ring the school with an indication of how many of your family will be attending on the day and if you can help out with drink donations etc.

Set up on the day/putting up marquee: 9.00am. If the weather is looking dubious we need some Dads to please assist with putting up the marquee.

Cakes and Slices Request: So far we have officially received 100 RSVP's but we expect that quite a few people will just turn up on the day, so to cover the 'just in case' factor, we are asking **each family if they could please bring in a cake or slice to share**, there is no note attached but any cake/slice donations will be greatly appreciated.
