P&C News

Welcome to 2020 Families, looking forward to another year of fundraising and events to continue to benefit Spring Terrace Public School!

Thank you to those parents and family members who came to the morning tea last week, was lovely to have a cuppa (without the milk) and chat! Stay tuned for the next meet and greet in the coming weeks

To begin the year we have our first P&C Meeting on Monday 10th February at 3:30pm in the admin building, look forward to seeing many of you there!

A reminder that the P&C membership forms are due back ASAP and required before we attend any events for the year. The cost is only \$2 for the year and the more members, the less hours/work everyone needs to volunteer!

The first fundraising event that we have this year is the Running Festival on Sunday 8th March where we run 3 water stations (Hiney Road, Ginns/Selwood Road and Spring Terrace Road) for the duration of the event. A note will be coming home in the next week for helpers and your availability. Keep in mind a small contribution of your time is a great way to get to know

other parents and have a laugh and raise a good amount of money for the school!

The second event is the Newcrest Bicycle Challenge on Sunday 22nd March 9:30-4:30 running another water station in Forest Reefs, I will also send a helper note home for this event sooner than later as I need to register people as volunteers, I would ideally like to have 6 people for this event so we can have two shifts of three.

If you would like further information or would like to discuss anything please see me for a chat or call/text 0419238094.

Have a great week.
