Date:	Activity
Thursday 27 May	Life Education Van visit to school Parent Information Evening
Tuesday 8 June	Musica Viva
Wednesday 9 June	Western Region Cross Country
Monday 14 June	Public Holiday – Queens Birthday

Messages from the Principal

Parent Information Meeting

All parents are invited to attend the parent information meeting on Thursday evening at 6pm for a 6:15pm start. Parent involvement is one of the biggest indicators of success in a child's education. We'd like to share information about Individual Education Plans (IEPs), homework and student wellbeing. Our goal will be that parents leave understanding how we can work together to support every child at Spring Terrace School to reach their full potential.

NAPLAN

Students in Year 3 and 5 have completed NAPLAN and we are back to our regular routine. These results won't be available for some time as they are marked, and all data is collected and collated across Australia before results are sent out. As soon as these results arrive at school they will be sent out to parents.

Life Education

We are fortunate to have the Life Education Van visiting our school this Thursday. All students will participate in a session in the van and are able to purchase merchandise. Please ensure all permission notes and money are returned to school ASAP. A separate merchandise order form is required with correct cash for purchases while the van is on site.

Voluntary School Contributions

These fees help to cover the cost of student resources to provide all students with Maths, Spelling and Handwriting books in the classrooms along with all other resources that our students need for learning. If you haven't yet paid them and can afford to, please do.

Spring Into School Fees

All outstanding Spring Into School fees need to be paid by Thursday 10 June. This program is not funded by the Department of Education and is only funded through fees and school funds. While the school is committed to supporting Spring Into Schools as much as possible, it can only run if fees are paid on time.

Community Garden - Pumpkins

The Forest Reef Tavern made good use of our pumpkins over the weekend with a donation from every bowl of soup sold coming back to the school for the community garden. Thank you, Paul and your team, for this initiative and raising \$25.00 on top of already paying us for the pumpkins.

Student Health Care Plans

We have a number of students whose original enrolment shows they have a medical condition, asthma or allergies. If your child has been diagnosed by a Doctor or medical practitioner, please advise the office so a health care plan can be established to best manage your child's health and welfare while at school and on excursions.

Mr Peter Scott
Principal

News from the Classrooms

K/1 Classroom

This week students are working on increasing their writing stamina and handwriting skills. In Mathematics we are exploring the concept of multiplication, we are also learning to count in 2's, 5's and 10's!

Year 2 Classroom

This week students are publishing their narratives and they cannot wait to share their stories with you. Stories will be added to Seesaw by the end of the week.
In Mathematics, Year 2 are looking at multiplication. Students will be practising their times tables daily while undertaking a variety of hands-on activities to assist students with this concept.
Shout out to our classmates Jack and Dash! Jack has completed 25 nights of home reading and Dash has completed 75 - Great work boys!

Years 3-6 Classroom

The Primary class are practicing their creative writing skills at the moment so that they can further improve the great story writing they have already done this year. In maths we have started the week with a fractions assessment so that we can determine what students know now and what they need to learn next.

STPS News

Congratulations to Miss Paige

It's a boy! Congratulations to Miss Paige and her partner Brock on the arrival of their son, Teddy Steven! We're so excited to meet our new friend soon and hope you're all doing well!

Newsletters on Website and accessed through Facebook page

There has been a change to our School Website Service processes. The newsletter is uploaded weekly to the School web page <https://springterr-p.schools.nsw.gov.au/>
There is also a newsletter link on the P&C Facebook page that will take you to the website to view the newsletter from this page.

Spring Into School – Self Portraits

The transition class have been very busy creating self portraits with Mrs Doherty.

P&C News

We held our Monthly P&C meeting yesterday, thank you to those who attended. A smaller meeting this month with a couple of fundraising events planned so keep an eye out for that. Minutes will be available in the coming days.

In Garden news, we had a super successful market stall last week! All our harvested crops were sold to our parents and the Fabulous 'Paul's at the Reef' with an extra bonus of 20% of the pumpkin soup sales being donated back to the community garden!

Lastly, there will be no P&C news in the newsletter for the next 3 weeks as I will be away, keep an eye on the Facebook pages for information and important news!

Have a great week!

Bec Robinson
P&C President

Community News and Information

Daphnie's Dad, Paul has taken off with his new dining experience at the Tavern in Forest Reef! If you haven't already, head over to the Facebook page and see for yourself, the wonderful food available!

If you have a spare evening and would love to get your hand on some tasty treats, be sure to call and book a table! Well Done Dauvin family and thank you for supporting our school!
