### Messages from the Principal

#### **QuizWorx Concert**

Our scripture students enjoyed to presentation by QuizWorx this afternoon. Thankyou to Mrs Ruth Carter for organising this visit.

#### **End of Term Assembly**

This Thursday 24 June at 2:30pm, we will hold an assembly to celebrate the conclusion of a great term. All parents, friends and family are welcome to come along. In adhering to ongoing COVID rules, visitors **MUST** sign-in to school prior to assembly.

#### **Class Transition**

In line with our decision to split Miss Toovey's Year 2 class for term 3, while she is Relieving Assistant Principal at Canowindra Public School, students will be spending time in these classes during this week so that they are prepared for the change and we can get straight to work when Term 3 begins. Miss Toovey will be working with teachers and students in both classrooms to ensure students are prepared and settle into their new classrooms. Parents of students currently in Mr Toovey's Class will receive a letter on Thursday that indicates what class your child will be in.

#### **Reports and Individual Education Plan (IEP) Meetings**

Student reports will go home this Thursday. IEP meeting will be held in the first few weeks of next term.

#### **Weaving Workshops**

Please remember to collect your pruning's of soft pliable sticks for the weaving workshops next term. Some examples that work well are wisteria, grape vine, willow, and softer fruit tree cuttings. If you would like more information, please contact Brigitte Lund on 0401 662 099. These workshops will be held on Thursday afternoons in weeks 1, 2 and 3. Parent helpers and involvement is welcomed and encouraged.

#### **School Holidays**

This Friday is our last day of school for the term. Students can wear casual clothes so long as they are suitable for the weather conditions and playing games. We will have a fun day of games and activities at school.

To all our families we wish you a very happy, safe and enjoyable holiday and look forward to seeing everyone back on Tuesday 13 July ready for a great term of learning.

Staff will be at School on the Monday completing mandatory training and preparing for the return of Students on Tuesday.

Mr Peter Scott  
Principal

## News from the Classrooms

### K/1 Classroom

Welcome to the last week of the Term. Homework this week is spelling only, please use the look, cover, write and check practise. Continue to do home reading and fill out your child's reading log. Congratulations to all the children who have received their certificates for their reading achievements. We have been revisiting the PAX good behaviour game and the children have been working hard in teams to be rewarded with a Granny Wacky Prize.

Hope everyone has a great holiday, stay safe and take care. Looking forward seeing you all next term. Miss Hutchison

### Year 2 Classroom

Welcome to Week 10, our final week together until Term 4. No Homework this week! Year 2 will be spending the week revising their learning, their PAX voices and finishing off their *The Lion, the Witch and the Wardrobe* inspired art. Students are excited to show you their artwork at this week's assembly.

I hope you all have a safe and wonderful break. See you in Term 4, Miss Toovey.

### 3-6 Classroom

This week we will be finishing of our creative writing task and are hoping to be able to turn them into a class book of stories. In Maths we will be completing our work on decimals and practicing measuring area. This week students in all classes are focusing on using the appropriate voice in the classroom so that next term we can have quiet and productive classrooms where all students can learn effectively and achieve their absolute best.

## STPS News

### Spring Into School Fees – Term 2

A reminder to families that have outstanding fees for this term to please pay them before the end of this week. Without these fees the school is unable to provide the transition program to our families and the broader community.

### Spring into Gardening Open Day

Our next open garden morning is the last Sunday of the school holidays. This might be a great time to come and join the gardening crew and drop off those pruning's for the weaving workshops coming up at the beginning of next Term.

There is a garden meeting open to all on this Friday at 2.15pm under the COLA. We will be planning our fruit tree planting for our next garden session.

## P&C News

Welcome to the last week of Term 2

Attached to today's newsletter you will find our pie drive order form; these are due back the first day of next Term. This year the pies will be supplied by Early Rise Bakery. The pies will be up for collection 20 July. We look forward to another successful fundraising opportunity.

This leads into another chance for your input, we are after our next project/goal if you have any suggestions or ideas please let us know or attend our next meeting 19 July (Monday week 2)

We also wish to advise on a grant application to CSU that was successful for the amount of \$1000. This grant was completed and submitted by Begs with the intention of using the funds to extend and better our Home Reader Resources with a new initiative of the 100 Reader Club to be put in place. We have been working with Mr Scott on this and are very excited and can't wait for them to arrive. Great work Begs!

Upon my arrival back to town last week, our family all noticed and commented on the wonderful new sign in the garden! It is fabulous and so bright and eye catching! The perfect addition to our Garden! Thank you so much Christine!!

Have a great last week everyone!

Bec Robinson  
P&C President

## Fun things to do at home in the holidays

### Create some leaf characters

Go for a walk and collect some leaves to create different characters using black, white or coloured pens to draw faces.

### Make a Pom-pom Racetrack

Using coloured tape on a hard surface floor inside or chalk outside create a racetrack. Grab a straw and a soft pom-pom of ping pong ball and race your friend to the finish.

### Pipe Cleaner Pets

Create some unique characters and make a family of pets. Grab some pipe cleaners, coloured cardboard, or paper and a few felt pens and get busy. You can even write your own story using your new pets. Don't forget to give them all a name.

### Build your very own Lego Game board

Grab a piece of cardboard and draw up some squares. Write a set of clues or instructions and create a new game using pieces of Lego to see who can build the tallest stack and win the game.

### Create a Chatterbox

Take a piece of square paper and create a Chatterbox, add your own questions and pictures

### Make a maze and find your way home

Draw a maze and find the path home, make it as easy or hard as you like but remember to make it fun

### Do a word search

See how many you can find, even time yourself
