Date:	Activity
Tuesday 22 June	QuizWorx Scripture Concert
Thursday 24 June	End of Term assembly – 2.30pm
Friday 25 June	Last day of Term 2
Monday 12 July	Term 3 commences

Messages from the Principal

QuizWorx

Next Tuesday students who normally attend scripture will instead attend the QuizWorx puppet show.

End of Term Assembly

Next Thursday 24 June at 2:30 pm we will hold an assembly to celebrate the conclusion of a great term. All parents, friends and family are welcome to come along. Visitors must sign-in to school prior to assembly.

Home Reader Grant

Recently Birgitte applied for a grant through Charles Sturt University for \$1000 to purchase home readers. We have been informed that we were successful in getting this grant and will order the books before the end of term. Thank you to Birgitte for the time and effort put into this application, I'm sure the students and parents will enjoy having a wider selection of home readers.

Euchareena Resources

With the closure of Euchareena Public School, the resources have been shared amongst the Orange Small Schools. Spring Terrace has been given 2 high jump mats, some home readers and two tote tray trolleys. These are excellent resources that will be an asset to our school.

Changes in Term 3

Congratulations to Miss Toovey who has been given the opportunity to fill the role of Relieving Assistant Principal at Canowindra Public School for the duration of Term 3. With this, there will be some changes to classes in Term 3. At this point we have been unable to employ a teacher to take the Year 2 class and for this reason we have decided to return to 2 classes with the students from Miss Toovey's class being split between the K/1 and 3/6 classes.

Mr Peter Scott
Principal

News from the Classrooms

K/1 Classroom

I hope everyone had a wonderful long weekend. This week there will only be spelling homework. The children should be using the 'look, cover write check' method to help them learn and remember their words. We are focussing on writing in more detail and using the correct punctuation. In Maths we are revising the topics we have learned throughout the term. Have a great week.

Year 2 Classroom

Welcome to the 2nd last week of Term 2. I hope you all had a wonderful, warm and relaxing long weekend. Over the next two weeks, Year 2 students will continue to work on their persuasive writing. We will also complete the revision in mathematics to ensure all students have a good grasp of the concepts taught. This will also be an opportunity for students to select work to add to their SeeSaw Journal. A big thank you to all who have connected with their child's journal. They love sharing their learning journey with you! Have a great week! Miss Toovey.

3-6 Classroom

In English this week the Primary class will be tying together the creative writing skills we have been learning this term to write, edit and publish a story. I'm looking forward to working with students on these and seeing the end results. In Mathematics we will be learning about decimals and how they are used in everyday life as well as how we add, subtract and multiply them.

STPS News

Snow Day

We certainly had some snow falling last Thursday, it was a winter wonderland at school. The students had lots of fun playing and creating snow creatures. For some it was their first opportunity to see and feel snow. The photo gallery is on the next page.

Spring into School Garden

The garden sign went up on Sunday, thank you to Christine Holmes, out P&C Treasurer and Redgum Graphic Design and Signwriting for producing and supplying the new sign. Gardening days are every second Sunday of each month. The P&C would love to see you in the garden next term. Sunday 11 July is the next gardening morning from 10.00am to 12.00 noon.

Community News and Information

Orange PCYC

PCYC NSW run a variety of safe, fun, creative and inclusive school holiday activities for primary and high school aged youth. Their structured programs have a selection of sport and creative based activities to ensure something for everyone. From multi-sport, gymnastics and boxing to painting, dance and crafts, pirate days and graffiti, to coding classes and skateboarding.

PCYC Orange school holiday activities are run by qualified coaches that have a passion for working with young people in a sport and recreation environment. Programs are designed to be affordable for the local communities that surround our clubs ensuring a cost-effective school holiday option for all families. They also accept Creative Kids vouchers at all clubs. For more information visit their website
